

This is a list of key words in the course, and how to pronounce them. It lists all the words you have to use in *English File 2*. It does not include days, months, numbers, countries, languages, nationalities or proper names. Words from the **Word Bank** are listed under the **Word Bank** title, e.g. **Activities A**, rather than individually.

Also look at the lesson-by-lesson list of key new words to learn in the Workbook.
